Brandown Pty. Limited owns and operates the Resource Recovery Facility (EPL 126189) and Landfill (EPL 5186), located at: Lot 90, Elizabeth Drive, Kemps Creek (90 Range Road, Cecil Hills)

This Pollution Incident Response Management Plan (**PIRMP**) has been prepared in accordance with the regulatory requirements of the *Protection of the Environment Operations Act, 1997* (**POEO Act**).

The PIRMP gives details on how important information is disseminated to relative authorities and the community in the event of a pollution incident.

In the event of such an event the following authorities will be notified of the details.

Emergency Services (Police, Ambulance and Fire & Rescue)	000
NSW EPA	131 555
Liverpool Council	1300 362 170
SafeWork NSW	131 050
Fire and Rescue NSW	000
Fire and Rescue without immediate threat	1300 729 579

In conjunction with the Emergency Services, Neighbours who are potentially affected by a pollution incident will be notified by one of the following methods:

- Phone call by site personnel or Site Manager; or
- Door knocking by site personnel or Site Manager.

Any additional communication will be determined by the nature of the event or as directed by the relevant agency.

Specific information to be provided to community stakeholders may include:

- The nature of the incident and the type of hazard that exists;
- The type of pollutant;
- Prevailing winds;
- Height and magnitude of the emission;
- Location of any off-site fall-out impacts;
- The area affected by the incident;
- Advice on whether to evacuate, or stand-by to evacuate the area (as per Fire & Rescue instruction);
- Possible impacts on sensitive receptors;
- Instructions on whether to close doors and windows for incidents involving air pollutants;
- Who to contact; and,
- When the next update will be.

Regular updates will be provided to the affected community stakeholders throughout the course of the event.

Surrounding area to be notified in conjunction with Emergency Services
